

The Ringwood Educational Foundation's mission is to enhance and enrich the public school curriculum through mini-grants awarded to teachers in our four public schools.

Here are some of the projects and educational equipment that have been funded:

- New Computers and Chrome Books for Students
- New Smartboards and Elmos for Classrooms
- Climbing Wall and Adjustable Basketball Hoops for Gymnasiums
- Musical Instruments, Art Supplies, and Science Kits
- Health/Nutrition, Science, and Reading programs for teachers

With continuing cutbacks in educational programs, your support for helping our Ringwood children becomes even more critical.

Thank you for your support!

The Ringwood Educational Foundation, Inc. has funded over \$480,000 in grants to our public schools in the past twelve years. We can't do it without YOUR support!
